

Lelystad, September 2024

SGF-certificate statement

Since the end of last year, SGF does not give out certificates anymore due to fraud sensitivity.

Berrico's latest certificate expired September 6th, 2024.

We have successfully passed our last audit on May 7th, 2024.

SGF now works with Certification Status that can be found via their customer portal. When you log onto the portal via <https://juicebase.sgf.org/> and search for Berrico Food Company, you are able to see we have the Certification Status via the red check box.

For Berrico customers that are not SGF members, please send an email with an SGF Certification Status request to: quality@berricofood.com

Sincerely,

Berrico FoodCompany
Quality Department
